

Student mobility program

Within the frame of TEMPUS project CD_JEP-41121-2006 (HR) „*European Quality Standards in Limnology Education (QUALI)*”, during the second year of financing, the realization of *student mobility program*, where students can improve their knowledge at four European educational institutions, is foreseen. The program will include 17 courses (with total of 32 ECTS points) dealing with problems of current issues in limnology and standardization of methods in accordance to EU and Water Framework Directive. University of Zagreb, Faculty of Science, Division of Biology as a partner Institution for the TEMPUS Project CD_JEP-41121-2006 (HR) announces

OPEN COMPETITION for participation in student mobility program

Looking for a candidate to stay up to one semester at

1. University of Pannonia, Veszprém (HU)
2. Universidad de Girona (ES)
3. University of Uppsala (SE)
4. Universität Potsdam (DE)

Please note: At this time it is possible to apply for the **summer semester** of the academic year **2008/2009**. Project includes student stay in the EU during 6 months (January 24th to July 18th 2009, with short breaks).

Eligible Candidates

Students who intend to spend a visiting semester in EU partner institutions are eligible to apply if they are enrolled at the study programs (BSc, MSc, PhD students) at Division of Biology, Faculty of Science, University of Zagreb, and if they have confirmed 8th semester.

How to apply

Student Mobility Application Form in both Acrobat Reader and Word format can be downloaded here:

Application_Form_eng

Application_Form_eng

The deadline for application is March, 14th 2008.

A candidate should also enclose the following documents:

- copies of confirmation of finishing the VIII semester (from index)
- professor and/or assistant letter of recommendation (in English)
- student motivation letter
- CV, in Croatian and in English language
- copy of passport (passport should be valid at least until August 1st, 2009)

The application must be submitted electronically to the e-mail: aplenk@zg.biol.pmf.hr and in printed form to the following postal address: dr. Anđelka Plenković-Moraj, Biološki odsjek PMFa, Rooseveltov trg 6, 10000 Zagreb

The selection criteria for students will be based on:

1. Average mark during the studies
2. Duration of studyi
3. Sufficient English
4. Personal interview

Note that Commission will not consider or process:

- ⇒ incomplete application
- ⇒ late application
- ⇒ electronic application without supporting printed application in paper format

The Commission will deal with all documents and will interview all candidates (that includes testing of language proficiency). An interview with candidates will be in period from 17th to 21th March 2008 according to the subsequently announced schedule, and the final selection will be made until the end of March 2008.

After the list is formed and confirmed, participating students will sign tripartite contract (Head of Biology Division at Faculty of Science, student, Chief of competition committee) where all rights and obligations of a student will be defined in detail.

Terms of practical training will be coordinated with the institution that accepts a student and in accordance with the candidates obligations. For any further questions please contact either prof. dr Anđelka Plenković-Moraj (tel. 48 77707, e-mail: aplenk@zg.biol.pmf.hr) or dr. Marija Gligora (48 77700 inter 133, e-mail: mgligora@zg.biol.pmf.hr). All activities of TEMPUS CD_JEP-41121-2006 (HR) Project can be viewed at: www.quali-limn.org
